Participant's information: **STEP 1 of 4**

Please enter all the requested information below. The show must be able to recognize this information to identify you and in some cases this information will be used in the show's program. The Premises ID is required for all exhibitors of ovine or bovine breeds (in this page you need the exhibitor Premises ID, not the producer number; not the animal number). You need to enter the participant's name and the animal's owner name (usually the farm's name), you also need to enter the participant's address, and the participant's birthdate for showmanship classes. Once that's done, you'll be able to enter the animal's information if you select to participate in the conformation class.

- ### Entry Summary
- ✓ This is a terrific opportunity for you to review your entries and make any modifications to entries
 - ✓ If you are a family of more than one exhibitor, please notice the "Add New Participant" button and you can proceed with their information
 - ✓ You can Log In numerous times and continue to work on your online entries up until entry closing
 - ✓ AssistExpo is a Canadian company so all funds remain in CDN dollars which was a little confusing from our last livestock entry platform
 - ✓ You will receive a confirmation email once entries are complete, please review and let us know if you have any questions
 - ✓ It is 1000% easier to fix ahead of the event rather than on show morning!
 - ✓ If you have completed and paid for your entries, you can Log In again and edit/modify; if you are unable, please email events@oldregionalexhibition.com with your modifications and we will follow up with you
 - ✓ For competition clarity, review the Rules & Regulation on the Synergy website
