

Summer Synergy Rookie Award

Sponsored by Alcatraz Angus & AOK Cattle Company

What is the Rookie Award?

The idea behind the Rookie Award is to recognize the youth stockmen new to the Synergy program. As said by the Albrecht family, “Synergy’s positive environment, level of professionalism and the amount of learning that is achieved is absolutely unmeasurable! Every participant and their family at the show wants to see each and every participant succeed. The many friendships and mentors that were developed through the experience is immeasurable. We would like to pay it forward by recognizing those families that are first time attendees and thus will get the Synergy bug as we did!” Quinten & Kate Albrecht - Alcatraz Angus & AOK Cattle Company

Who is eligible?

All first time exhibitors who have entered in Conformation, Judging, Marketing, Team Grooming and Team Herdsmanship are eligible for the award. All eligible exhibitors will be entered into a draw to win the prize of custom show stick bags. Name will be drawn at final Synergy awards.
