JR. Bubbles

Bubbles are just fun! Show us how tiny you can make them or how big! Are they floating, or landing on something? Is there just 1 or a whole bunch! Have fun!!

INT. Shadows

We can make shadows or we can find shadows. Show me something recognizable or tell me a story with your shadow(s). Get creative!

SR. Mirrors/Reflections

Let's find a puddle, water, a mirror, something shiny and show us the most creative reflection you can create! You might have to find some interesting angles to show us your creativity.

Open. Night Photography

Ok, I'm excited for this one! There are so many beautiful things at night, let's see them! OR you can create the light in the dark with light painting!! Sound's daunting and challenging but it will be rewarding trust me!
